SAKURURA-
GAND?

WE'LL KEEP
OUR VISIT SHORT,
SO CAN YOU
ANSWER A FEW
QUESTIONS.

Staff needed!! Lots of!!

I knew I shouldn't count the vacant positions, now I am sure that we're in a desperate situation.

So, we need typesetters for *Satanophany* and *Revenge Classroom*.

We also need cleaners, redrawers and typesetters for *Nanba MGs* and *Impossibility Defence*.

Our cleaning test is at <https://goo.gl/K8bqON> (We'll be lenient with mistakes by applicants for *Nanba*, because it uses webdraws and you only really need to know how to clean bubbles. But if you don't pass the test, you'll only be allowed to clean webdraws for us. Applicants for *Impossibility Defence* need to pass the test completely.)

Our typesetting test is at <https://goo.gl/wv7KdU>

For *Satanophany* and *Nanba MGs*, the redrawing test is at <https://goo.gl/KJwMmE>. For *Impossibility Defence*, it is at <https://goo.gl/qfnsc6>.

We are also inviting translators for *Shounen Y* and *Psychic Odagiri Kyousuke's Lies*. Our test is at <https://imgur.com/THUEuk.jpg>.

For all positions except translation, applicants should bundle their tests in a compressed file (ZIP, RAR, xZ, whatever), upload it to a cloud service and and either post the link in our home page (<https://bit.ly/3kCq00k>) or send it to me as a PM (Wrzith at deathnollscaans.net). We expect them to be able to do a chapter in a week (though there are no control freaks here, we understand real life issues as well as anyone). We've had compatibility issues with GIMP files before, so we require applicants to use Photoshop.

People with experience who want to bypass the test on account of having samples of past work will have the test replaced by an actual chapter of the series they want to work on. This still means it is a test: if you fail, the chapter edited by you won't be used. It's high risk (having an entire chapter discarded because you didn't pass), high gain (working on something that will actually be used instead of a test). People without experience can't take that route, at least in principle. (If you contact me and I am in a good mood, I may let you have a try at your own risk, but don't count on it.)

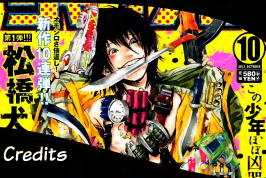

Well, there you have it. You have forced a group in dire straits to begin a new project when they ought to concentrate on finding people to do their ongoing ones. Feeling guilty? Good, then apply, please!
